

# Stake Anchors

Keep your markers in your garden!

## Lark Sign's Stake Anchors

Do you have problems with theft or vandalism? Try out our Stake Anchors - exclusively for Lark Stake Marker.

Stake Anchor ready to be installed in your garden.

The Stake Anchor flares open to prevent removal.

## Concerned about losing your Stake Markers?

The Lark Stake Anchor was developed to keep your markers in your garden. It is a simple solid aluminum piece riveted to the bottom of the stake. It goes into the soil easily yet takes a lot of effort to remove.

# Stake Anchor

## Installation Guides

### INSTALLATION GUIDE FOR SOFTER SOIL

#### Step 1

With both hands on the stake, firmly push into the soil. The top of anchor should be 2" below ground level.

### INSTALLATION GUIDE FOR DENSER SOIL

#### Step 1

Use a small spade & drive into the soil.

#### Step 2

Rock it back & forth to create a groove.

#### Step 3

Drop the Marker into the groove.

\*The top of the Stake Anchor should be a couple of inches below soil level.

#### Step 4

Tamp the ground closed with your foot.
