

Spectrum Interpretive Panels

Full Color Outdoor Educational Signs

Full-Color Spectrum Interpretive Panels

Help your visitors learn more about your site and important features. Colorful text and graphics are perfect for enhanced education to engage your visitors and improve their experience.

- Your custom design is inkjet printed and fused into a composite panel.
- Thick panels use a weather durable ABS for the backer. It is 1/2" thick with hidden screw inserts for mounting.
- Thin panels use a metal backer and are .125" (1/8") thick and are replacement panels for framed signs.
- Order panels by themselves or with mounting posts.
- Guaranteed readable and color fast for 10 years.
- 25 years educational sign expertise, we can turn your ideas into reality.
